### ACCOUNTING

7707/21

Paper 2 Structured Written Paper

May/June 2023

1 hour 45 minutes

You must answer on the question paper.

No additional materials are needed.

### INSTRUCTIONS

- Answer **all** questions.
- Use a black or dark blue pen. You may use an HB pencil for any diagrams or graphs.
- Write your name, centre number and candidate number in the boxes at the top of the page.
- Write your answer to each question in the space provided.
- Do **not** use an erasable pen or correction fluid.
- Do **not** write on any bar codes.
- You may use a calculator.
- International accounting terms and formats should be used as appropriate.
- You should show your workings.

### INFORMATION

- The total mark for this paper is 100.
- The number of marks for each question or part question is shown in brackets [ ].
- Where you are asked to complete a layout, you may not need all the lines for your answer.

This document has **20** pages. Any blank pages are indicated.

- 1 Shvan maintains a petty cash book using the imprest system. The imprest amount, which is \$200, is restored every Wednesday.

All payments of less than \$75 are made from petty cash. All cash receipts of less than \$75 are paid into petty cash.

On 1 March 2023 Shvan had \$61 in his petty cash box. He provided the following information for the first week in March 2023.

March	1	Restored petty cash imprest from the business bank account
	2	Paid \$55 to Giles, a trade payable
	3	Paid taxi fare, \$21
	6	Paid \$18 for notepads and pens
	6	Received cash, \$25, from Mitchell, a trade receivable
	7	Paid \$30 for office cleaning

#### REQUIRED

- (a) Prepare Shvan's petty cash book for the first week of March 2023, on the page opposite. Balance the petty cash book at 7 March 2023 and bring down the balance at 8 March 2023.

[4]

Shvan is considering whether to stop keeping cash at his business premises. He would require all customers to transfer payment directly into his bank account and he would make all business payments from his bank account.

**REQUIRED**

(c) (i) State **one** way Shvan could pay his suppliers, from his bank account, other than by cheque.

.....

..... [1]

- 2 Stalla is a sole trader who sells on credit. She maintains a provision for doubtful debts at 4% of trade receivables.

Stalla's trade receivables were:

	\$
At 31 December 2021	75 000
At 31 December 2022	77 000

**REQUIRED**

- (a) (i) Prepare Stalla's provision for doubtful debts account for the year ended 31 December 2022. Balance the account at 31 December 2022 and bring down the balance at 1 January 2023.

.....	.....	.....	.....	.....	.....

[3]

- (ii) State **two** reasons why Stalla maintains a provision for doubtful debts.

1 .....

.....

2 .....

.....

[2]

Stalla charges depreciation at 25% per annum, using the reducing balance method. She charges a full year's depreciation in the year a vehicle is purchased and none in the year it is sold.

On 31 December 2022, Stalla sold a vehicle for \$9500. The vehicle had cost \$16000 on 1 September 2020.

**REQUIRED**

(b) Calculate the gain or loss on disposal of the vehicle.

.....

.....

.....

.....

.....

.....

.....

.....

..... [4]

The balances on Stalla's ledger accounts at 1 January 2022 included the following.

	\$
Motor vehicles	48 000
Provision for depreciation on motor vehicles	21 000

(c) (i) Prepare Stalla's motor vehicles account for the year ended 31 December 2022. Balance the account at 31 December 2022 and bring down the balance at 1 January 2023.

**BLANK PAGE**

- 3 Eshe is a trader. She has prepared a trial balance at 31 March 2023. The totals did not agree and the difference was placed in a suspense account.

Eshe later discovered the errors shown in the following table.

**REQUIRED**

- (a) Complete the table to show the entries required to correct each error. The first one has been completed as an example.

Error	Entries required to correct the error			
	Debit		Credit	
	Account	\$	Account	\$
A payment for rent, \$300, had been debited to the insurance account.	<i>Rent paid</i>	300	<i>Insurance</i>	300
Credit sales to Raymond of \$105 had been debited to the sales account and credited to Raymond's account.	.....	.....	.....	.....
Eshe's total drawings from the bank for her own use, \$9500, had been debited to the cash account.	.....	.....	.....	.....
A purchases invoice from Danika for \$137 had been recorded in her account and in the purchases journal as \$173.	.....	.....	.....	.....
Returns inwards, \$44, had not been recorded in the returns inwards account.	.....	.....	.....	.....
The motor expenses account had been overcast by \$100.	.....	.....	.....	.....

[10]

- (b) Prepare the suspense account. Include the balancing figure as the original difference on the trial balance.
