MARK SCHEME

Maximum Mark: 50

---

**Published**

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge International will not enter into discussions about these mark schemes.

Cambridge International is publishing the mark schemes for the May/June 2021 series for most Cambridge IGCSE™, Cambridge International A and AS Level components and some Cambridge O Level components.

---

This document consists of **14** printed pages.

**Generic Marking Principles**

These general marking principles must be applied by all examiners when marking candidate answers. They should be applied alongside the specific content of the mark scheme or generic level descriptors for a question. Each question paper and mark scheme will also comply with these marking principles.

**GENERIC MARKING PRINCIPLE 1:**

Marks must be awarded in line with:

- the specific content of the mark scheme or the generic level descriptors for the question
- the specific skills defined in the mark scheme or in the generic level descriptors for the question
- the standard of response required by a candidate as exemplified by the standardisation scripts.

**GENERIC MARKING PRINCIPLE 2:**

Marks awarded are always **whole marks** (not half marks, or other fractions).

**GENERIC MARKING PRINCIPLE 3:**

Marks must be awarded **positively**:

- marks are awarded for correct/valid answers, as defined in the mark scheme. However, credit is given for valid answers which go beyond the scope of the syllabus and mark scheme, referring to your Team Leader as appropriate
- marks are awarded when candidates clearly demonstrate what they know and can do
- marks are not deducted for errors
- marks are not deducted for omissions
- answers should only be judged on the quality of spelling, punctuation and grammar when these features are specifically assessed by the question as indicated by the mark scheme. The meaning, however, should be unambiguous.

**GENERIC MARKING PRINCIPLE 4:**

Rules must be applied consistently, e.g. in situations where candidates have not followed instructions or in the application of generic level descriptors.

**GENERIC MARKING PRINCIPLE 5:**

Marks should be awarded using the full range of marks defined in the mark scheme for the question (however; the use of the full mark range may be limited according to the quality of the candidate responses seen).

**GENERIC MARKING PRINCIPLE 6:**

Marks awarded are based solely on the requirements as defined in the mark scheme. Marks should not be awarded with grade thresholds or grade descriptors in mind.

	<p><b>Level 6</b> <span style="float: right;"><b>8</b></span> Explains purpose in context</p> <p><b>Context:</b> The Treaty was signed in June 1919 so Lloyd George is trying to persuade Parliament to support it. In the general election of December 1918 he had promised to make Germany pay but by the summer of 1919 Lloyd George was worried the Treaty was too harsh. However, he still had to sell the Treaty to MPs and the public, many of whom had wanted Germany harshly punished (they wanted Germany ‘to pay’).</p>	
	<p><b>Level 5</b> <span style="float: right;"><b>6–7</b></span> Explains the purpose of the speech (must have intended impact on behaviour of audience), e.g. to persuade Parliament to support the Treaty.</p>	
	<p><b>Level 4</b> <span style="float: right;"><b>5</b></span> Explains the big message – the Treaty is a good one because it has properly punished Germany</p>

	<p><b>Level 6</b> Contextual evaluation – uses contextual knowledge/cross reference to question whether Germany was really punished harshly, <b>OR</b> to confirm that German was punished harshly</p>	7
	<p><b>Level 5</b> Answers based on big message – the source is useful because it tells us that Germany was punished harshly and its allies were also going to be punished harshly</p>	6
	<p><b>Level 4</b> Answers based on sub-messages (inferences), e.g. Germany was punished before Austria-Hungary, Germany was punished harshly, Turkey was worried about the peace treaties.</p>	4–5
	<p><b>Level 3</b> Explains what the source does not tell us – must be specific knowledge about what is missing <b>OR</b> Rejects the source because it is British/it is biased/it is just a cartoon or asserts it is useful for British point of view.</p>	3
