

Worksheet 9: Application of words in context answers

A multinational automotive company

Commercial Motors plc is a global automobile manufacturing company. The company's diverse product portfolio includes a range of cars, sports utility vehicles, trucks and buses. One of the main aims of Commercial Motors plc is to produce goods to satisfy consumers' needs and wants through its 6000 car showrooms across the world. It is currently developing environmentally friendly electric cars.

The company also plays an active role in community development such as building schools, houses and investing in the health and welfare of local people. It employs over 15 000 employees worldwide. In 2024 the company's turnover was \$2 billion, with 1 million car sales.
