Paper 2 Fundamentals of Accounting

October/November 2024

1 hour 45 minutes

You must answer on the question paper.

No additional materials are needed.

#### **INSTRUCTIONS**

- Answer all questions.
- Use a black or dark blue pen.
- Write your name, centre number and candidate number in the boxes at the top of the page.
- Write your answer to each question in the space provided.
- Do **not** use an erasable pen or correction fluid.
- Do not write on any bar codes.
- You may use an HB pencil for any rough working.
- You may use a calculator.
- You should present all accounting statements in good style.
- International accounting terms and formats should be used as appropriate.
- You should show your workings.

#### **INFORMATION**

- The total mark for this paper is 90.
- The number of marks for each question or part question is shown in brackets [].

This document has 20 pages. Any blank pages are indicated.

1 Ahmed is a sole trader. He does not maintain full accounting records. He provided the following information for the year ended 30 June 2024.

2

1 Payments and receipts during the year included the following:

|                                | \$     |
|--------------------------------|--------|
| Carriage outwards              | 1040   |
| Cash sales                     | 5200   |
| Electricity charges paid       | 1920   |
| General expenses paid          | 3600   |
| Motor expenses paid            | 4250   |
| Payments to credit suppliers   | 61 240 |
| Receipts from credit customers | 102600 |
| Rent paid                      | 16800  |

- 2 All purchases are made on credit.
- 3 Assets and liabilities included the following:

|   | At 30             | June              |
|---|-------------------|-------------------|
|   | <b>2023</b><br>\$ | <b>2024</b><br>\$ |
| 8% bank loan                                | _                 | 3000              |
| Allowance for irrecoverable debts           | 1055              | ?                 |
| Inventory                                   | 12640             | ?                 |
| Other payables: Rent accrued<br>Electricity | 600<br>130        | -<br>90           |
| Other receivables: Rent prepaid             | _                 | 1800              |
| Trade payables                              | 8800              | 6300              |
| Trade receivables                           | 21100             | 18500             |

- 4 Inventory at 30 June 2024 was valued at \$15880. This included damaged items costing \$960 that will be sold for \$1100 after repairs costing \$340.
- 5 During the year Ahmed took goods costing \$420 for his own use.
- 6 An irrecoverable debt of \$300 is to be written off.
- 7 Ahmed wished to maintain the allowance for irrecoverable debts at the same rate as in the previous year.
- 8 The 8% bank loan was taken out on 1 April 2024. No interest has yet been paid.
- 9 Ahmed started the business on 1 July 2022. On that date he purchased a motor vehicle for \$24 000 and fixtures and fittings for \$3200. No other non-current assets have been purchased since that date.
- 10 Depreciation is to be provided as follows:

Motor vehicle: 20% per annum reducing balance method Fixtures and fittings: 10% per annum straight-line method.

11 Motor expenses paid included \$1140 for motor insurance for the twelve months to 31 August 2024. (a) Prepare the statement of profit or loss for the year ended 30 June 2024. Use the space provided on **page 4** to show your workings.

[6]

#### **Additional information**

Ahmed has been offered the opportunity to purchase larger premises for \$85000 which would allow him to increase the sales revenue of the business. As he does not have sufficient personal funds to make the purchase, he is considering two options.

6

#### Option 1

Apply for a bank loan to cover the whole purchase price. The bank loan would be repayable over ten years and interest would be payable at 8% per annum.

#### Option 2

Ahmed's brother has offered to join the business as an equal sharing partner. He would introduce all of the cash required to complete the purchase in exchange for a 50% share of future profits.

| <b>;</b> ) | by discussing <b>both</b> financial and non-financial factors. |

- 3 The draft profit of L plc for the year ended 30 June 2024 was calculated at \$58340. The directors have discovered some errors in the accounting records. The draft profit had been calculated **before** correcting the following:
  - 1 Closing inventory had been overstated by \$2800.
  - 2 Returns outwards of \$570 had been debited to the Purchases account.
  - 3 Distribution costs included a payment of \$4320 for advertising covering the **three years** ending 31 March 2027.

[Total: 15]

Martina produces and sells a single type of product.

The following budgeted information is available for the year ending 30 November 2025.

13

|                            | \$      |
|----------------------------|---------|
| Sales revenue (3500 units) | 542500  |
| Direct materials           | 87500   |
| Direct labour              | 105 000 |
| Production overheads       | 126 000 |
| Selling overheads          | 157 500 |
| Profit for the year        | 66 500  |

Variable production overheads are budgeted to be \$4 per unit.

Selling overheads include 5% sales commission. All remaining selling expenses are fixed.

#### **Additional information**

Martina feels that production and sales could be increased by 20% by improving the quality of the product.

She plans to make the following changes.

- 1 Purchase new machinery at a cost of \$60000. The machinery will have an estimated useful life of five years and a residual value of \$10000 at the end of its lifetime.
- 2 Undertake an advertising campaign at a cost of \$1250 per month.
- 3 Reduce the selling price by \$6 per unit.
- 4 Purchase higher quality materials that will increase the direct material cost by \$3 per unit.
- 5 Direct labour hours per unit will reduce by 5%.
- 6 Use of the new machinery will reduce the unit variable production overhead by 20%.
- 7 Sales commission will remain at 5%, but commission on all units sold in excess of 3500 will be paid at 10%.

**(b)** Prepare a marginal cost statement for the year ending 30 November 2025 to show the revised contribution and revised profit for the year if Martina decides to go ahead with the plan.
